

MICROBLADING TECHNICIAN TRAINING PROGRAM

APRIL 15 - 16, 2018

9:00am - 5:00pm

MC College Red Deer (5008 50 St)

We've partnered with **Brows by G** to bring you the latest in eyebrow technology: **MICROBLADING**. Using a manual tool and multiple micro needles, this innovative technique deposit pigments in the superficial layer of the skin; creating a semi-permanent, natural and fuller looking brow. Through this hands on course, you'll benefit your career by expanding your skill set and create more revenue for yourself and your business.
