This application is free to download for all students and can provide support at any time through call, text or chat. Students may access this support for a variety of situations including mental health, anxiety, living away from home, student life, or academic stress. All students are encouraged to download the app and get registered for it.

## **EXPECTATIONS**

MC College is proud to have a comprehensive online learning platform for students. MC College also encourages the use of personal devices for promoting student services and building a clientele through Social Media. Students are encouraged to take photos or videos to share their work with family, friends and potential clients.

An important difference between High School and Post-Secondary College are the rules behind privacy and complaint procedure. We understand that third parties such as a parent, friend, spouse, family member or employer have the best intentions when submitting concerns and requesting access to student information. MC College will not investigate concerns raised by a third party on behalf of a student. All student concerns must be submitted using the Student Concern Form.

If a student wishes to authorize a third-party to access information in his/her student file, he/she must do so in writing. The school will not release information to any other person other than people authorized by the student to access information unless required to do so by legislation, a subpoena, court order or if release of information is necessary as part of an ongoing police investigation.

## **ATTENDANCE**

Regular attendance is one of the most important contributing factors to student learning and success. MC College works closely with its Partners in Training to place students in the workforce upon graduation.

### **Excused and Unexcused Absences**

- No student should attend school if feeling unwell. Students who are unable to attend must inform the Campus they will be absent no later than the morning of the first day of their absence. The student must provide an acceptable explanation for their absence. This will be considered an Excused Absence.
- If a student is absent without informing the Campus and without an acceptable reason, this will be considered an Unexcused Absence. Students who reach three Unexcused Absences will be put on an Attendance Probation.
- Health protocols and physical distancing requirements may mean that not all students will be able to attend school at the same time. Students displaying poor attendance may be asked to reschedule their return to campus for a later date so that we can accommodate students who can attend regularly.

If your instructor and/or campus director believe your absences have exceeded an acceptable level, you will be asked to meet with them to review your continuation in the program. Excessive absences may result in a student being asked to repeat sections of the program. Student attendance is monitored weekly. Students should review their posted attendance each week.

MC College recognizes that sometimes circumstances beyond our control may require an extended absence from school. Students who face these circumstances may request a leave of absence that will result in an extension of the Enrolment Contract.

## **TUITION PAYMENTS**

Students will receive a warning letter when tuition payments become 30 days in arrears. Tuition payments 60 days in arrears will result in suspension from the program. Students will be suspended until the payments are brought up to date. Payments may be made by cheque, credit card, debit or electronic transfer.

## **YOUR PROGRESS**

Students are evaluated through written exams, weekly salon or spa performance evaluations and practical work on customers. Students should be prepared to receive constructive criticism and correction when necessary.

Progress Reports are issued monthly. Students are required to maintain a grade average of at least 70% and an attendance rate of 85% or better. Students who fall below these minimum standards may be placed on probation.

Training support is provided to students through monthly reviews of progress reports. Campus Directors and Instructors review reports to identify weaknesses and develop individual learning plans to improve proficiencies.

Students who intentionally falsify college documents or cheat on college exams or assignments will receive a grade of zero for the assignment/exam and may face suspension or termination from the program.

If the outcome of the review is not satisfactory, the student should take the issue to the Campus Director.

All programs, services, and activities, when viewed in their entirety, are readily accessible to and usable by qualified individuals with disabilities. MC College will make reasonable accommodations to meet the needs of any student with disabilities.

**It is the responsibility of the student to inform the College of any disabilities, physical and/or mental, which might in any way affect the student's academic progress.**

## **DISPUTE RESOLUTION POLICY**

The Campus Director is the appropriate authority to review all disputes. If the Campus Director is absent or named in the complaint, the Vice President of Operations will be the appropriate authority to review all disputes. The appropriate authority will request written submissions from all parties concerned and will review submissions within 2 days of receipt. Students will not be subjected to any form of retaliation as a result of filing a complaint. A student making a complaint has authorization to be represented by an agent or lawyer.

The appropriate authority will provide a written decision within one week of investigating the dispute. If the parties involved are not satisfied with the decision of the appropriate authority, the dispute may be forwarded to the Corporate Head Office. The responsible authority at the Corporate Head Office is the President.

Should no solution be found, the dispute may be escalated to the appropriate Provincial Private Institution Regulatory body.

Written reasons for the determination must be given to a student within 45 days after the date on which the student makes the complaint.

Some examples of gross misconduct may include, but are not limited to: physical violence, harassment, theft, vandalism, or threatening language directed at MC College staff, students or clients.

## **PRIVACY POLICY**

### **MC College collects students' personal information for the following reasons:**

- To maintain student records as required by provincial regulations.
- To keep students/graduates informed of activities of the school.
- To issue T2202 Tax Receipts

Students' personal information is not used for any other purpose.

### **Information Reporting**

MC College is required by provincial governments to report on the employment status of our graduates. This includes the student's name and home phone number, start and end dates, and employer's contact information. MC College is also required to release grade information to third party funders. As an MC College Group student, you consent to the collection and release of such information. Student information will be shared for employment purposes or government regulatory purposes only.

### **For all full career training programs:**

MC College retains the full student file for a period of seven (7) years following the student's withdrawal, dismissal or graduation. In British Columbia, MC College uploads a copy of the students' contract, transcripts and credential (if any) to an approved third-party vendor. These records are retained for a period of fifty-five (55) years by the third-party vendor. In all other provinces, MC College utilizes an on-site electronic file storage system.

### **Procedure for maintaining student files:**

1. Student personal information is collected throughout the student's attendance at the institution. All required information regarding the student is placed in the student file.
2. Student files containing personal information are safely stored in locking file cabinets and access to the student files is limited to the appropriate administrative staff.
3. When a student leaves the school either by withdrawal, dismissal or graduation, a transcript is prepared showing the marks achieved in the courses completed. If the student has completed all courses within the program of study, a diploma and/or certificate(s) will be issued. These documents are signed by the School Director and copies of the signed documents are placed in the student file.
4. Within 30 days of the student leaving school, copies of the Enrollment Contract, Transcript and Diploma for full career training programs are sent to the third-party vendor for long term storage. (BC only)
5. After documents are sent for long term storage, the full student file is placed in storage.

## **ANTI-HARASSMENT POLICY**

The MC College Group Anti-Harassment Policy and Implementation plan defines harassment as unwelcome behaviour which humiliates, insults, excludes or degrades another person.

At MC College Group, harassment is defined as behaviour “that is known or ought reasonably to be known to be unwelcome.” Harassment has the intent or effect of creating a poison, intimidating or hostile climate. Harassment prevents or impairs full and equal enjoyment of education.

Harassment includes any physical, verbal or non-verbal abuse near or on the premises of MC College Group.

MC College Group is committed to zero tolerance of violence or any form of physical or verbal abuse.

### **Procedure for student access to the information on file:**

1. Students wishing to access the information in the student file must make the request in writing.
2. The School Director or Administrator will meet with the student to review the file and will provide copies of any document the student requests.

### **Complaint Procedure**

Nothing in the following procedures for resolving complaints of harassment stops individuals from filing a complaint with their Provincial Human Rights Commission. All complaints to be investigated by MC College Group will be treated in the strictest confidentiality.

The following steps should be taken if a person feels she/he is being harassed:

#### **Step 1: Ask the Offender to Stop**

Tell the person the behaviour is unwelcome, inappropriate or unacceptable. If the person refuses to co-operate, inform the person of the MC College harassment policy.

Keep a record of the alleged incident(s) of harassment. A person does not need a written record to make complaint, but a written record will make the person’s case stronger. It is also not necessary to ask the offender to stop in order to move forward with a complaint.

#### **Step 2: Advice or Counselling**

You may wish to talk to the College Director, who is the authorized advisor for MC College Group Anti-Harassment policy. However, the advisor is not an advocate for either party. The advisor will remain neutral and supportive of both sides. The advisor is not intended to act as ombudsperson. They provide information and referrals to services needed, such as counselling, in the informal advice stage.

### **Step 3: Make a Complaint**

If the above steps have not resolved the alleged harassment to the complainant's satisfaction, or if the harassment continues, a complaint should be filed with the College Director. The College Director will be responsible for implementing the steps outlined below for addressing complaints under this policy except where otherwise stated.

A person must make a complaint within 1 month from the date of the alleged harassment. It is best to make the complaint as soon as possible after the occurrence. A person must put her/his complaint in writing before the College Director can talk with the alleged offender. The alleged offender will be given a copy of the complaint and an opportunity to respond to the complaint in writing.

The complaint should contain the following information:

- Name of the alleged harasser
- When and where the offence took place
- A description of what happened
- Name of any witness

The College Director will talk privately with both parties. Both parties may have someone they trust come with them to this meeting. The College Director will try to help both parties reach a resolution. If a resolution can be reached, both parties must signify their acceptance of the resolution in writing. The College Director will monitor the terms of agreement to make sure they are respected.

If the resolution is not accepted, the person making the complaint has 10 days to ask the Vice President of Operations in writing to investigate the situation.

### **Step 4: Panel**

The investigation panel, appointed by the Vice President of Operations and consisting of staff and management representatives, will conduct an investigation, which must begin within 5 working days of the appointment of the panel.

The investigation panel may wish to seek appropriate legal advice. The investigation panel shall investigate all persons who may provide relevant information. Such information shall be received in the strictest confidence and shall be documented in writing. The complainant and the alleged offender shall have the right to be accompanied in the interview by a third party of their own choice or to be represented by legal counsel at their own personal expense.

The investigation should be completed within 30 calendar days and both the complainant and the alleged offender shall be informed verbally and in writing of the outcome.

If the investigation results in a finding that harassment and/or discrimination has occurred, disciplinary measures, as determined by the Vice-President of Operations, will be imposed.

**Step 5: Appeal**

If the resolution is not satisfactory to the complainant or to the alleged offender, either party may appeal the decision.

The appeal must be made in writing to a third-party mediator agreed to by the complainant and the President and shall include all appropriate documentation. The appeal shall be made within 30 days of the finding made in Step 4 of this procedure.

The findings and recommendations of the third-party mediator shall be final and binding.
