

# NEW STUDENT ORIENTATION

## WHAT TO EXPECT

When you arrive for orientation, you'll be welcomed on campus and shown to your assigned classroom where you can get settled in.

You'll meet some key people right away, our Director, Administrator, and Enrollment Coordinator will all be there to greet you and make sure you know who to go to for support throughout your journey.

We'll start with a quick icebreaker to help everyone get to know each other and feel more comfortable.

Next, we'll walk you through what's expected as a student, including attendance, professionalism, and dress code, so you feel fully prepared for your first day.

You'll also meet your instructor for your first day of classes, so you can start building that connection early.

After that, we'll take you on a campus tour so you know exactly where everything is, including your locker and key areas you'll be using.

If we haven't already taken your photo, we'll do that during orientation so you can access your campus login account.

Before you leave, we'll make sure you have all the important contact information for our Director and Admin team, so you know who to reach out to if you have any questions before your first day.
