STANDARDS GUIDE

WELCOME TO MC COLLEGE!

This guide will provide you with the information necessary to make your college experience a productive and valuable one.

These standards have been developed to create an effective learning environment with clear expectations and guidelines for students, instructors and all staff members.

CORE VALUES

- **Commitment:** we do what we say we will do.
- **Fun:** we love what we do.
- **Integrity:** we do the right thing.
- **Respect:** we treat others the way we want to be treated.
- **Mentor Artists:** we nurture creativity.

MISSION

MC College empowers graduates with skills to change their lives and enjoy rewarding careers.

BARBER PROGRAM DELIVERY

You'll gain the knowledge and skills to succeed in 2 ways:

1. Classroom Instruction

Workshops, demonstrations, mannequin work, practice on fellow students and/or models and Pivot Point Learn About Beauty (LAB).

2. Hands-on Practical Experience

Salon practical services for clients.

A course outline should have been provided to you at the time of your registration.

As a member of the MC College Student Community, I understand and commit to the following standards:

- Be punctual and arrive prepared for each day. Arriving late for classroom instruction creates disruption. Entry to class may be delayed until the next available break in instruction.
- Dress in appropriate attire. Present an image reflective of the salon and spa industry.
- Barber students must wear black clothing only.
- Halter tops, crop tops, short shorts, pajama bottoms and sweatpants are not permitted. Students not observing the standards for dress may be asked to leave for the day.
- By signing the enrollment contract you agree to adhere to MC College policies. These include student conduct, lateness, absences, dress code and academic progress.
- Failure to adhere to these standards may result in disciplinary action, which could include being suspended or withdrawn.

STUDENT SUPPORT

MC College provides 24-7 student support through the support app GuardMe. This app is free for all students and provides support at any time through call, text or chat. Students may access this support for a variety of situations including mental health, anxiety, living away from home, student life, or academic stress. Students are encouraged to get registered in the app.

MC College Instructors will be available for one-on-one academic meetings with students from 3:00-5:00pm. Students may book appointments with these instructors using the Campus Login student portal.

ATTENDANCE

Regular attendance is key to student learning and success. Students who are unable to attend school must inform the Campus they will be absent no later than 9:00am the morning of the first day of their absence.

Student attendance is tracked daily in Campus Login. Each week, student attendance is reviewed by campus administration and absences noted. Attendance is retained in the student's electronic file. Students are expected to maintain attendance of 85% or better. Students who fall below the 85% threshold will be placed on an attendance probation and may be asked to repeat sections of the program.

MC College recognizes that sometimes circumstances beyond our control may require an extended absence from school. Students who face these circumstances may request a leave of absence that will result in an extension of the program end date. The following guidelines apply to leaves of absence:

- A leave of absence cannot be longer than 3 weeks. If a student will be away from their program for longer than 3 weeks they will be withdrawn and asked to restart at a later date.
- Students may request a maximum of 2 leaves of absence in their program. If a third leave of absence is required, the student will be withdrawn.

YOUR PROGRESS

Students are evaluated through written and practical exams and practical work on clients. Students should be prepared to receive constructive criticism and correction when necessary. Progress is reviewed regularly.

Students are required to maintain a grade average of 70% or better and must complete the required practical work each month. Students who fall below these minimum standards may be placed on Academic Probation.

Training support is provided to students through progress reviews. Campus Directors and Instructors review progress to identify weaknesses and develop individual learning plans to improve proficiency.

Classroom instruction may be recorded for quality assurance.

CLIENT SERVICE REQUIREMENTS

As part of the program, students are required to complete a minimum number of practical services on clients.

- Clients consist of the general public.
- Each student will receive MC Exclusive Cards for friends and family. The Exclusive Card will give the recipient free services for the duration of the student's program.
- Students who refuse to complete a client service that has been booked with them may be asked to leave for the day.
